# Special Recognition Honoree

## Pat Rawitch

Pat was raised in California and received her first dog, a collie named Tammy, for her 13th birthday. She signed Tammy up for an obedience class and never looked back. Within months, she entered the Valley Hills Obedience Training Club show and received a 4th place ribbon in Novice A and was hooked! Tammy's CD (Companion Dog) title was earned within 6 months. She continued training in obedience and eventually became an instructor. She met her husband Allen, started a family, and moved to Ohio in 1967. Pat started working as a groomer with a gentleman who was leading a 4H dog project - this was Pat's first introduction to 4H. He invited her to help train the kids, and eventually her oldest son joined 4H and trained his Sheltie. The gentlemen unfortunately passed away, so Pat formed a new Dog Project group and named it Tailwaggers - which she led

for the next 7 years. Allen's career moved them to Kansas City in 1975; where Pat became heavily involved with the Greater KC Dog Club, focusing on AKC obedience, Rally O, and herding trials, as well as conformation events. At this point, she was actively breeding and training collies; placing over 30 Performance titles on her dogs, including a Utility title on her collie Cass; and finishing 40 AKC Breed Champions.

She met Emily through AKC dog shows; who invited Pat to help train in the 4H Dog project. Emily was forming a new project group, and they adopted the name "Tailwaggers"! Over 25 4Hers participated in the inaugural year (2008) of this new group. It has continued to be an active program, with about 7-14 kids going to the Kansas State Fair Dog show each year. Training for the Agility event started around 2010; and then Rally Obedience was added as an event a few years later. In the 16 years that Pat has been with the Johnson County Kansas Tailwaggers, she has seen many kids start with Tailwaggers who have now graduated college; ensured disabled kids had the opportunity to train and bond with their dogs; taken the Tailwaggers to the Kansas Dog Conference to win knowledge bowl competitions, seen multiple dogs earn AKC Canine Good Citizen accreditation, and led at least five 4Hers to compete at the Open/Utility levels at the State Fair. About 5 kids have also expanded outside of 4H with their dogs to compete with adults at AKC events in conformation, Rally O and Obedience events.

Pat is the penultimate 4H volunteer - she loves the opportunity to share her knowledge and love for dogs with the kids; and is rewarded when seeing the bond that develops between the 4Her and their dog as they progress through the 4H Dog Project, learning lifelong lessons and making great memories.

## Kaylen Langhofer

She is a 12-year member of the Plains Livewires 4-H club in Meade County. Kaylen's parents are Doug and Melissa Langhofer. She has been involved in the Dog Care and Obedience project for 10 years. The first years of the dog project were learning how to train the dog and the handler. Our wins in the ring resulted in several white ribbons. Over time the ribbons changed to blues and purples with knowledge and experience gained.

The greatest 4-H challenge was overcoming the loss of my first dog, Lacy, when we were at the beginning of the off-leash stage a few months before the fair. As an experienced handler,

training was accomplished in a short period of time with a new puppy, Kaycee, allowing for us to participate at local, regional, and state levels in Showmanship, Obedience, and Rally-O.

Kaycee and I attended the Kansas State 4-H Dog Conference two years where we participated in events and gained knowledge to expand on training. The bond that is formed between a dog and handler is my favorite part of the dog project. Kaycee truly is my best friend. Recently, I became a Kansas Certified Dog Judge so I could expand on my knowledge and give back to the project by helping younger 4-H members. Kaycee and I visit the local nursing home to spread cheer to the residents and support local animal shelters with monetary donations. I am attending West Texas A&M University to pursue a degree in Animal Science with a minor in AgBusiness.

## Lydia Walker

Lydia has been a dog person from her first word, *DOG*. When she started the 4-H Dog Project eight years ago with her rescued yellow Labrador Retriever Charlie in Sedgwick County, she instantly found her spark. After her first two years in 4-H, she moved to Missouri where she was not able to show her dogs in 4-H, but after returning to Kansas with a move to Phillips County, she was most excited to return to showing.

While sadly she lost Charlie in 2023, she still has a Corgi Carolina Dog cross, Nico, who she adopted as a puppy seven years ago who she shows in Rally Obedience and Agility; a three-year-old rescued Border Collie Lab cross Beau who she shows in Showmanship, Obedience, Rally Obedience and Agility; and to complete the pack, her family adopted Shih Tzu Vinny for her sisters to show.

Through the Dog Project, Lydia has learned to train and care for dogs using positive reinforcement and help rescue dogs reach their full potential using canine psychology techniques. Her love of dogs' overflows into her other project areas, including Foods & Nutrition, Visual Arts, Photography, Sewing & Textile Design, Leadership and Woodworking. She has also made it her mission to help other dogs and owners, sharing her passion as a Junior Project Leader on both the club and county levels, becoming a resource for other dog owners, speaking about dogs any chance she gets, promoting the Dog Project through appearances on regional radio and local television, and starting The Dog Walkers dog sitting and training business with her sister through the Youth Entrepreneurship Challenge. For community service, she has a soft spot for dog rescues and nursing home visits where Vinny is a big hit with residents.

Lydia is the daughter of Art and Cindy Walker. She is a member of the Iowa Union 4-H Club and is a sophomore at Phillipsburg High School where her extracurricular activities include: Tennis, Forensics, Amendment Show Choir, Theater, Scholar's Bowl, Golf, KAY, FFA and her church youth group. She hopes to attend K-State and major in Animal Science and either become a professional dog trainer or a veterinarian.
