

## SCORE CARD - IDENTIFICATION

Contestant Name \_\_\_\_\_ County/District \_\_\_\_\_

We feel that this phase of the contest teaches 4-H'ers to recognize and be aware of many horticultural products that we eat, enjoy or use to beautify our homes and grounds. Contestants will be required to identify 50 kinds of varieties of plants, plant parts, fruits or seeds from the following list. Choose proper letter and number from the list below and insert it in the blank.

- |           |           |                                       |                                   |                           |
|-----------|-----------|---------------------------------------|-----------------------------------|---------------------------|
| 1. _____  | 26. _____ | <b><u>Flowers &amp; Foliages*</u></b> | <b><u>Fruits &amp; Nuts**</u></b> | <b><u>Ornamentals</u></b> |
| 2. _____  | 27. _____ | A1 African Violet                     | B1 Almond                         | C1 Arborvitae             |
